About me

📇 09/02/2000

📍 Veneto - Italy

Passionate about computer science from a young age, I see programming as the perfect way to express this passion.

Matteo Beu

Full-Stack Developer

Work Experience

2024 - NOW | INDIPENDENT
Full-Stack Developer

I develop custom software solutions, managing the entire process from design to implementation. I work on personal projects and client collaborations, with a strong focus on innovation and efficiency.

2022 - 2024 | AWOM
Web Developer

Responsible for developing and managing web projects. I worked independently, creating tailored solutions for clients while continuously improving my technical skills.

2021 - 2022
Factory Worker

During this period, I worked while self-studying to enter the field of software development, laying the foundation for my career in the tech industry.

Education

2024 - 2025 | COURSERA
IBM Full Stack Software Developer Certificate

2021 - 2022 | ACCADEMIA DELLE PROFESSIONI
Web Marketing & Social Media Expert Certificate

2014 - 2020 | IIS CITTÁ DELLA VITTORIA
High School Diploma
